01 · PROGRAM OVERVIEW

A reward that feels personal, not packaged

Lisbon in May is warm, bright and walkable, with direct flights from most European hubs and from several US gateways. The program balances group moments with free time, so qualifiers feel rewarded, not managed.

The shape of the trip

- **Day 1** · arrive, settle in, welcome dinner with a view over the river.
- **Day 2** · Lisbon by tram and on foot, long lunch, free afternoon.
- **Day 3** · Sintra palaces and the Atlantic coast, free evening.
- **Day 4** · free morning, awards and gala dinner at an exclusive-use venue.
- **Day 5** · late breakfast and departures.

Why it works for a sales group

- Two group meals that feel like events, two that feel like a night out with friends.
- Free time every day, with a concierge desk to book anything extra.
- The awards moment sits inside the gala, not in a hotel ballroom.
- Every activity is low-effort physically and works for partners too.

Program at a glance

4 group dinners or lunches · 2 guided experiences · 1 gala with entertainment · 8 on-site staff plus a program director · 24/7 hotel hospitality desk · all ground transport included.

- Spa and rooftop pool
- 10 minutes on foot to the old town

€520 PER ROOM NIGHT

€410 PER ROOM NIGHT

OPTION C

Coastal resort in Cascais, e.g. an ocean-front five-star 30 minutes from Lisbon.

- Beach and promenade on the doorstep
- Adds 30–40 minutes of coach time on days 2 and 4
